## **ORDER**

The Court referred a petition, alleging a violation of supervised release conditions, to United States Magistrate Judge Diana Song Quiroga in Laredo, Texas, for consideration pursuant to applicable laws and orders of this Court. The Court has received and considered the Report and Recommendations of the United States Magistrate Judge filed pursuant to that order, along with the record, pleadings, and all available evidence.

At the close of the December 5, 2016 revocation hearing, the Defendant, defense counsel, and counsel for the Government signed a form waiving their right to object to the proposed findings and recommendations contained in the United States Magistrate Judge's report, consenting to the Magistrate Judge's proposed findings and recommended sentence. The Defendant and counsel for the Government also waived their right to be present and speak before the District Judge when the recommended sentence is imposed. Therefore, the Court may act on the Magistrate Judge's Report and Recommendations immediately.

The findings of fact and conclusions of law of the Magistrate Judge are correct and her report is hereby ADOPTED. The Defendant's plea of true to the alleged

violations (Nos. 1, 3) in the petition is ACCEPTED, as to each of the three counts.

The Court FINDS that the Defendant violated the conditions of supervised release

(No. 1, 3) as set forth in the petition. It is ORDERED that the Defendant's term of

supervised release is REVOKED, as to each of the three counts. It is further

ORDERED that the Defendant be committed to the custody of the Bureau of Prisons

for the time already served, followed by fourth months home confinement, as to each of

the three counts. It is further ORDERED that the Defendant be placed back on

supervised release following completion of the term of imprisonment, under the same

terms and conditions as originally imposed, for the remainder of original term, set to

expire on August 17, 2018, as to each of the three counts.
